I have a good faith belief that the use of the material and the matter complained of in this letter are not authorized by the copyright owner, any of their agents, or under the law. The information in this notification is correct and I swear under the penalty of perjury that I am authorized to act on behalf of the owners of the exclusive rights. This includes, specifically, the copyrights that we allege to be infringed upon.

Upon receipt of this notification you now have actual notice that the material on your system is infringing and, in order to avoid liability, it is incumbent upon you pursuant to 17 U.S.C § 512 to remove and/or disable the infringing materials immediately. If you have any questions regarding this notice or the information contained therein, please feel free to contact me. We look forward to your speedy acquiescence to the requirements of the Copyright Act, the removal of the infringing works, notification, and your cooperation in this matter.

Sincerely,
MORRISON ROTHMAN LLP

EJ

Hi,

I've removed the file in good faith this time, if repeated takedowns I'll have to look into to it seeing as "substantially similar" isn't really reassuring that it is in fact copyrighted material.

Regards,
Eric aka "Neku"
